Summary

Motivated Learner with ability to cope in group for organizational growth.Would like to gain the necessary experience to hopefully become able to handle services in the real world industry. To apply my knowledge and skills and also to gain new skills and knowledge.

Soft Skills

Programming
Communication Skills
Microsoft PowerPoint
Versatile
Hardworking

Experience

Semicolon Tec - 07/2021 to 10/2021
Flutter Developer (intern)
Joined as Flutter Developer Intern for Semicolon Tec, Butwal. Worked in development of application related to E-commerce. Learnt the ways of the industry and team work inside an organization. Research towards the market need of the application and ways to provide beautiful and simple interface to the consumer and sellers using the application. Built design for the application and ways it would work once brought in production.

Projects

With basic knowledge of programming, I learnt dart and flutter to build mobile applications for multiple purpose. The goal while developing the projects were API integration and State management of the applications. Namely, the projects were

- **Covid-19 Data Monitoring Application**
- **App to know Current Weather Status around the globe.**
- **TO DO Notes keeping**

Education

Bachelor of Science: **Computer Science and Information Technology** – 2021-Present
Tribhuvan University

+2 – Science
3.82 GPA
Manakamana Secondary School, Makalbari, Kathmandu

Certifications/Courses

Learnt Flutter and Dart Programming from Mind Risers Consortium for two months. Starting from basic to the state management for applications, API integration, using google maps and Firebase Authentication. Completed Udemy Course (Flutter and Dart Complete Boot Camp)
